

Residential Care Recruitment

Work with the Best

[FIND A JOB](#)

Our Expertise

Our expertise is in placing the best people in essential roles in residential care homes throughout the UK.

Our Expertise

Our expertise is in placing the best people in essential roles in residential care homes throughout the UK.

Healthcare Assistants (HCA)

Work alongside the UK's finest doctors and nurses to provide care for patients. HCA roles are varied and can include help with washing, dressing, and mealtimes. Or even just talking to patients who may be anxious about their situation.

[VIEW JOBS](#)

Care Support Worker

Care support workers provide an essential service by helping people live their lives as independently as possible. Daily tasks depend on the person but are usually around helping them through their day.

[VIEW JOBS](#)

Registered Nurse (RN)

Highly trained professionals, RNs have completed a nursing degree or diploma and provide premium levels of healthcare to patients. Typical tasks include administering medication, liaising with doctors, and developing patient care plans.

Why Work for Luxuria Clubs & Immigration

Weekly Pay

Budgeting weekly is easier than monthly. And we commit to paying all our agency staff on time every time.

Higher Wages

In most cases (approx. 90%), we pay more than the industry average. So you know you're maximising your earnings.

Make a Difference

Every healthcare worker in the UK is valued, and NHS staff are regarded as the best in the world. Be part of a team who changes people's lives daily.

[FIND OUT MORE](#)

About Luxuria Clubs & Immigration

As a professional recruitment agency, we supply agency staff to healthcare organisations around the whole of the UK. So, you'll work for us, and we'll pay your wages directly and deal with your tax, NI, holiday pay, and pension contributions.

We pride ourselves on our agency staff staying with us for multiple placements in residential care homes. We believe in treating everyone with respect and providing the highest possible service to our staff and clients. Our service levels are maintained through rigorous staff screening and continued career development and training support.

Working for Luxuria Clubs & Immigration

Our experience in the UK healthcare industry means we understand all the requirements for the roles we place. We ensure our staff are placed in reputable organisations as their health and well-being are our primary concerns.
